Detroit Mobile IV

Last updated: August 16, 2024

PLEASE READ THIS PRIVACY POLICY CAREFULLY BEFORE USING OUR SERVICES

IMPORTANT NOTE - Our Notice of Privacy Practices is a separate document that governs how protected health information ("PHI") about you may be used and disclosed in connection with the health care services in accordance with the Health Insurance Portability and Accountability Act ("HIPAA").

I. Introduction

- A. This Privacy Policy (the "Privacy Policy") describes the types of information Detroit Mobile IV and its affiliates may collect from you or that you may provide when you use the milehighmobilewellness.com website ("website"). This Privacy Policy also describes our practices for collecting, using, maintaining, protecting, and disclosing that information. Use of the Platform is governed by this Privacy Policy and our Terms of Service. This Privacy Policy is incorporated into our Terms of Service. All capitalized terms used in this Privacy Policy, but not defined herein, have the meanings assigned to them in the Terms of Service. By accessing or using the Platform, you acknowledge that you have read, understood and agreed to be legally bound by and comply with this Privacy Policy and our Terms of Service. If any term in this Privacy Policy is unacceptable to you, please do not use the Platform or provide any Personal Information. This Privacy Policy may change from time to time and your use of the Platform after we make changes is deemed to be acceptance of those changes, so please check this Privacy Policy periodically for updates.
- B. This Privacy Policy does not apply to information collected by any third-party, including through any application or content (including advertising) that may link to, be embedded on, or otherwise accessible from or on the Platform. Also, you may be subject to different privacy policies or terms of service for other websites or applications.
- C. Detroit Mobile IV is committed to protecting your privacy. We provide this Privacy Policy to explain the type of information we collect and to inform you of the specific practices and guidelines that protect the security and confidentiality of personal information.

II. Information We Collect About You and How It's Collected

- A. Information About You and Your Health Care Treatment and Payment.
 1. We collect several types of information from and about users of our Platform, including:
 - a) Information by which you may be personally identified, such as name, mailing address, email address, telephone number and account information, postal address, gender, occupation, billing and collection information that you provide to us, information related to your eligibility, or any other information collected on the Platform that is defined as personally identifiable information under applicable law ("Personal Information").
 - b) Health-related information, such as clinical history and condition, and any other information exchanged in emails, texts, chats or calls between you and Detroit Mobile IV.

- c) Information about your Internet connection, the equipment you use to access our Platform, and usage details.
 - d) Information about you, such as whether you are a current user, your product interests, location or demographics, or information related to your inquiry or request.
 - e) Any other information we specifically request.
2. We collect this information:
- a) Directly from you when you provide it to us.
 - b) Automatically as you navigate through the Platform (e.g., usage details, IP address, and information collected through cookies, web beacons, and other tracking technologies).
 - c) From third-parties with whom we work to provide you services, such as physicians, medical professionals, and pharmacies.
 - d) We may receive certain information about you through companies that provide us with such information as part of their relationship with us, including Meta, Google Analytics, Google Ads, Chargebee, Square, Stripe, and other third-party tools. We may also receive information about you from your social media accounts if you use those accounts to sign-in to your account with us.
3. Information You Give to Us. The information we collect on or through our Platform may include:
- a) Information that we collect when you browse our website or download one of our mobile apps. Even without creating an account, we still may collect from you some of the information described in this Section II:
INFORMATION WE COLLECT ABOUT YOU AND HOW IT IS COLLECTED
 - b) Information that you provide on our Platform, including information provided when you sign in or register for an account on the Platform or for services provided by one of our affiliates, or through communications with you through the Platform or as a result of any healthcare services.
 - c) Information to process or respond to your inquiries related to requests for treatment, payment, customer service; and when you provide feedback on our Platform, including payment processing information that includes billing information, such as a name, address, email address, and payment card information. When you provide or update your payment processing information, we transmit the payment via an encrypted connection to a third-party credit card processor. Detroit Mobile IV does not collect or store your full credit card details without your consent.
 - d) Records and copies of your correspondence (including email addresses) if you contact us, such as when you report an issue with our Platform or other services.
 - e) Information that you provide for display or posting on the Platform, including information provided in social media and/or testimonials. If you provide a testimonial, your first name will be posted along with the testimonial. Please remember that testimonials are located in the public areas of our Platform. Do not provide information for display or posting on the Platform that you would not want others to save or share.
 - f) Your search queries on the Platform. As with many other websites and applications, as you navigate through and interact with our Platform, we

may use automatic data tracking technologies to collect certain information about your equipment, browsing actions, and patterns, including:

- (1) Details of your visits to our Platform, including traffic data, location data, logs, language, date and time of access, frequency, and other communication data and the resources that you access and use on the Platform.
- (2) Information about your computer and Internet connection, including your IP address, operating system, host domain, and browser type.
- (3) Details of referring websites (URL). We also may use these technologies to collect information about your online activities over time and across third-party websites or other online services (behavioral tracking).
- (4) The information we collect automatically includes statistical data and may also include Personal Information. We may also maintain it or associate it with Personal Information you provide to us or that we collect in other ways or receive from third parties. It helps us to improve our Platform and to deliver a better and more personalized service, including by enabling us to:
 - (a) Estimate how individuals access and use our Platform.
 - (b) Store information about your preferences.
 - (c) Speed up your searches.
 - (d) Recognize you when you return to our Platform.
- (5) As with many other websites and applications, our Platform may use “cookies” or other data tracking technologies (collectively “cookies”) to help us deliver content specific to your interests, to process your requests, and/or to analyze your visiting patterns. We may collect the following types of information about your visit including: the domain from which you access the Internet; IP address; operating system and information about the device or browser used when visiting the Platform; date and time of your visit; content you visited; general location; and website (such as google.com or bing.com) and website referral source (such as email notice or social media site) that connected you to the Platform. Our Platform uses two types of cookies: single-session (temporary) and multi-session (persistent). Temporary cookies last only as long as your web browser is open, and are used for technical purposes such as enabling better navigation through our Platform. Once you close your browser, the cookie disappears. Persistent cookies are stored on your computer for longer periods and are used for purposes including tracking the number of unique visitors to our Platform and information such as the number of views a page gets, how much time a user spends on a page, and other pertinent web statistics. Cookies, by themselves, will not be used by Detroit Mobile IV to disclose your individual identity. This information identifies your browser to our servers when you use the Platform. We also use different types of first- and third-party cookies on the Platform. For example, we use cookies to track user trends and

patterns. This helps us better understand and improve areas of the Platform that our users find valuable. We use cookies to personalize content and ads, to provide social media features and to analyze our traffic. We also share information about your browser's use of our Platform with our social media, advertising and analytics partners. We use the information from cookies to provide services better tailored to our users' needs.

- (6) Meta Platforms. We use Meta Platforms (including, Facebook and Instagram) (collectively, "Meta"), a web analytics and advertising service provided by Meta on our Site. With its help, we and our customers can keep track of what users do after they see or click on a Meta advertisement, keep track of users who access our Site or advertisements from different devices, and better provide advertisements to our target audiences. The data from Meta is also saved and processed by Meta. Meta can connect this data with your Facebook or Instagram account and use it for its own and others advertising purposes, in accordance with Meta's Data Policy which can be found at <https://www.facebook.com/about/privacy/>. Please click [here](#) if you would like to withdraw your consent for use of your data with Meta.
- (7) Google Analytics. We use Google Analytics, a web analytics service provided by Google, Inc. ("Google") to collect certain information relating to your use of our Site. Google Analytics uses cookies, to help our Site analyze how users use our Site. You can find out more about how Google uses data by visiting "How Google Uses Data When You Use Our Partners' Sites or Apps" located at www.google.com/policies/privacy/partners/. For more information, please visit Google and pages that describe Google Analytics, such as www.google.com/analytics/learn/privacy.html.
- (8) Google Ads. Google Ads remarketing service is provided by Google Inc. You can opt-out of Google Analytics for Display Advertising and customize the Google Display Network ads by visiting the Google Ads Settings page: <http://www.google.com/settings/ads>. Google also recommends installing the Google Ads Opt-out Browser Add-on (<https://tools.google.com/dlpage/gaoptout>) for your web browser. Google Ads Opt-out Browser Add-on provides visitors with the ability to prevent their data from being collected and used by Google Analytics. For more information on the privacy practices of Google, please visit the Google Privacy Terms web page: <https://policies.google.com/privacy?hl=en>.
- (9) Microsoft Bing Ads. Our Site uses Bing Ads technology to collect and store data that is used to track user activity on our Site. On our Site Bing UET tag is integrated. This service enables us to track user activity on our Site when it has reached our Site via advertisements from Bing Ads. If the page visitor reaches our Site via such an ad, a cookie is set on their computer. This cookie enables us to track, among other things, the length of time spent on our Site, which areas of the Site were accessed, and which advertisements reached

our Site. The collection of the data generated by the cookie and related to the use of our Site, as well as the processing of this data, can be prevented by deactivating the cookie settings in your browser. In addition, based on the user's preferences, Microsoft may be able to track usage behavior across multiple electronic devices through cross-device tracking, enabling it to display personalized advertising on or in Microsoft websites and apps. This behavior can be disabled by the site visitor at <https://choice.microsoft.com/en-us/opt-out>. For more information on Bing analytics services, visit the [Bing Ads Website](#). For more information about privacy at Microsoft and Bing, see the [Microsoft Privacy Bing Ads Website Policy](#).

- (10) Stripe. We use Stripe as our payment processor. In order to allow Stripe to function properly, a cookie is stored on your browser, which assists Stripe in detecting and preventing fraud. These are considered session cookies and typically only remain on your browser for 24 hours. For more information on Stripe, please visit their privacy policy at <https://stripe.com/au/privacy>.
- (11) Square. We use Square as our payment processor. In order to allow Stripe to function properly, a cookie is stored on your browser, which assists Stripe in detecting and preventing fraud. These are considered session cookies and typically only remain on your browser for 24 hours. For more information on Stripe, please visit their privacy policy at <https://squareup.com/us/en/legal/general/privacy>.
- (12) Other Third-Party Tools. We use other third party tools that allow us to track the performance of our Site. These tools provide us with information about errors, app and website performance, and other technical details we may use to improve our Site and/or our Service.
- (13) Advertising: We may use data about how you browse and shop in order to show you ads for Detroit Mobile IV or our advertising partners that are relevant to your interests. We may use cookies and other information to provide relevant interest-based advertising to you, and ad networks to which we belong may use your browsing activity across participating websites to show you interest-based advertisements on those websites. Interest-based ads are ads presented to you based on your browsing behavior to provide you with ads more tailored to your interests. These interest-based ads may be presented to you while you are browsing our Platform or third-party sites not owned by Detroit Mobile IV. Currently, we do not recognize if your browser sends a "do not track" signal or similar mechanism to indicate you do not wish to be tracked or receive interest-based ads. If you would like more information about these practices, please click, <https://optout.aboutads.info/#!/>.
- (14) We may also collect data by using "pixel tags," "web beacons," "clear GIFs" or similar means (collectively, "pixel tags") that allow

us to know when you visit our Platform. Through pixel tags, we collect non-Personal Information or aggregate information that can be used to enhance your online experience and understand traffic patterns.

4. Information We Receive From Other Sources.

- a) This is information we receive about you if you use any of the other websites we operate or other services we provide. We sometimes work with third parties and they sometimes provide information about you. We obtain information from such third-parties with whom we work to provide you with certain services (including, for example, sub-contractors, analytics providers, advertising networks, and search information providers, or third parties who share your information to provide health care services to you, such as a medical provider including your information when they message or communicate with other medical providers or Detroit Mobile IV).
- b) In addition, we may use third-party providers to serve or track interactions on other websites. You may link to or access our Platform using other third-party websites. Use of such third-party websites is subject to the terms of service and privacy policies of those third parties. Detroit Mobile IV does not control the use of third-party technology or the resulting information and is not responsible for any actions or policies of such third parties.
- c) Where permitted by applicable law, we may also receive Personal Information about you from third-party sources (e.g., lead generators) to determine whether a Detroit Mobile IV product or service is right for you and to send promotional emails to customers and prospective customers.
- d) We may combine information we receive from other sources with information you give to us and information we collect about you. Depending on the types of information received, we will use the information received from other sources or the combined information for the purposes described in Section III: HOW WE USE YOUR INFORMATION.

III. How We Use Your Information. We may use information collected about you, including Personal Information, in the following ways:

- A. To complete any registration or other transactions or actions you request online, such as payment processing, including determining eligibility, use, and other benefits.
- B. For treatment, payment, or healthcare operational purposes.
- C. To communicate with you about our healthcare services and information, products, and services that you request from us (which may include telephone, voicemail, email, SMS/text messages, or notifications within the Platform).
- D. To contact you if you receive healthcare services resulting from your use of the Platform.
- E. To administer your account, including processing your payments and fulfilling your orders if you receive healthcare services resulting from your use of the Platform.
- F. To operate the Platform and perform any services associated with the Platform, including providing you with technical support and to improve the Platform and our products and services.
- G. To provide you with information that you have requested or to respond to your inquiries.
- H. To create de-identified information that cannot be used to personally identify you, such as aggregate statistics relating to the use of our service.

- I. To measure or understand the effectiveness of communications (including advertising) that we send to you and others, and to deliver relevant communications to you and to provide you with communications from Adonis, surveys, newsletters, and other information.
 - J. To better understand our audience.
 - K. To enhance the safety and security or performance of our products and services. This includes verifying your identity, preventing or detecting fraud or other unauthorized or illegal activities.
 - L. To design, develop, and communicate with you about our features, products, and services, or, subject to any consents or authorizations that are required by applicable law, those of our subsidiaries, affiliates, and parent companies and any of their related businesses and those of our third-party partners.
 - M. To notify you about changes to our services or the Platform.
 - N. To enforce this Privacy Policy and any other terms that you have agreed to, including to protect the rights, property, or safety of us or any other person, or the copyright-protected content of the Platform.
 - O. For any purpose where you have given your consent (where legally required).
 - P. To comply with applicable federal, state, and other laws and regulations.
- IV. Disclosure of Your Information. We may disclose Personal Information that we collect or you provide as described in this Privacy Policy as follows:
- A. For treatment, payment, or healthcare operations purposes.
 - B. To anyone authorized under this Privacy Policy or pursuant to any other consent or authorization that you may provide.
 - C. To service providers that assist us in the maintenance, improvement, and optimization of our Platform, such as service providers that help us run and maintain the technology and security infrastructure that support our Platform or that provide services such as email delivery, auditing, and similar services.
 - D. To medical providers, including without limitation, physicians, healthcare facilities and organizations, pharmacies, and laboratories that provide any services to you, including medical providers with whom you communicate and/or medical providers who review your information in providing healthcare services to you. You acknowledge and agree that when medical providers provide services to you, the medical providers and all personnel of their professional entities may see any information you provide.
 - E. To Detroit Mobile IV and its affiliated professional entities' employees, or other third-parties who provide services to Detroit Mobile IV or an affiliated professional entity.
 - F. To our affiliates and their employees, including for the purpose of posting information or notifications about healthcare services in your account.
 - G. To fulfill the purpose for which you provide it. For example, if you sign up for certain services, we may share your information in order to provide those services.
 - H. To third-party credit card processors via an encrypted connection so that they can process any payments by you.
 - I. To any third-parties we believe necessary or appropriate to comply with applicable laws.
 - J. To entities that assist us with marketing and advertising.
 - K. For any other purpose disclosed by us when you provide the information or with your consent.
 - L. If we are under a duty to disclose or share your Personal Information in order to comply with applicable law.
 - M. If we are under a duty to disclose or share your Personal Information to comply with any legal obligation, or in order to enforce or apply our Terms of Service and other agreements;

or to protect the rights, property, or safety of Detroit Mobile IV, our customers, or others. This may include exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

- N. With respect to de-identified information, for any purpose without restriction.
 - O. In the event of a sale, merger, consolidation, change in control, transfer of substantial assets, reorganization, or liquidation, we may transfer, sell, or assign to third-parties information concerning your relationship with us, including, without limitation, Personal Information that you provide and other information concerning your relationship with us.
 - P. For any purpose related to our use of information as set forth in Section III: HOW WE USE YOUR INFORMATION.
- V. Options About How We Use And Disclose Your Information. We strive to provide you with options regarding the Personal Information you provide to us. We have created mechanisms to provide you with control over your information:
- A. Tracking Technologies and Advertising. You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. If you disable or refuse cookies, please note that some parts of our Platform may then be inaccessible or may not function properly.
 - B. Do Not Track. We do not currently respond to “do not track” signals.
 - C. Promotional Offers from Detroit Mobile IV, its affiliates, or third-party partners. If you do not wish to have your contact information used by Adonis to promote our own products or services, you can unsubscribe by sending a message to contact@detroitmobileiv.com . If you are receiving email from Detroit Mobile IV or from one of our third-party partners, but do not have an account with us, you can unsubscribe at the bottom of the email. If you are not able to unsubscribe online through one of those methods, please contact us and we can handle your request. You can also always exercise your right to ask us not to process your Personal Information for marketing purposes by contacting us at the address Contact Information. If we have sent you a promotional email, you may unsubscribe by clicking in the unsubscribe link in the bottom of the email.
 - D. Mobile Alerts. By providing your mobile number to us, you agree to be contacted by or on behalf of Detroit Mobile IV and its affiliates, including our medical organizations, at the mobile number you have provided, including via phone call or text message, to receive transactional communications relating to the Platform or services we provide, and you recognize and acknowledge that text messaging is an inherently less secure method of communication and agree to receive text messages regardless of the level of security associated with them. Message and data rates may apply. For help regarding the communications we exchange with you using your phone number, reach our customer care center at 321-848-5699 or contact@detroitmobileiv.com .
 - E. SMS Marketing. By consenting to receive marketing text messages, which are subject to separate consent terms, you consent to receive recurring marketing text messages, which may relate to your health consultation and treatment that you receive through Detroit Mobile IV.
 - F. Social Media Account Sign On. To the extent that you choose to use a social media account application (such as Google, Facebook, or Apple) to create your online account on the Site or otherwise sign into the Site, you understand that if another person has access to your social media account, they will also have access to your account on the Site. That means that another person could access any personal information contained on the Site. It’s your decision about whether to give another person access to your social media account and whether to use that account to sign on to the Site. Additionally, if you use a social media

account application to sign into the Site, you understand that the social media account application may send information from your social media account to Detroit Mobile IV.

- VI. Data Security. We have implemented measures designed to reasonably secure your Personal Information from accidental loss and from unauthorized access, use, alteration, and disclosure.
 - A. Where we have given you (or where you have chosen) a password which enables you to access certain parts of our Platform, you are responsible for keeping this password confidential. We ask you not to share a password with anyone. The information you share in public areas may be viewed by any user of the Platform.
 - B. Unfortunately, the transmission of information via the Internet is not completely secure. Although we will do our best to protect your Personal Information, we cannot guarantee the security of your data transmitted to our Platform; any transmission is at your own risk.
 - C. When you use our Platform there is a risk that your PHI will be stored unencrypted on your mobile device. We take a variety of technical safeguards to make sure that your PHI does not leak onto your mobile device but we cannot guarantee that these safeguards work.
- VII. Third-Party Platforms
 - A. Our Platform may contain links or references to other websites outside of our control. Please be aware that this Privacy Policy does not apply to third-party websites. Adonis encourages you to read the privacy statements and terms of service of linked or referenced websites you enter. These third-party websites may send their own cookies and other tracking devices to you, log your IP address, and otherwise collect data or solicit Personal Information. Detroit Mobile IV DOES NOT CONTROL AND IS NOT RESPONSIBLE FOR WHAT THIRD-PARTIES DO IN CONNECTION WITH THEIR WEBSITES, OR HOW THEY HANDLE YOUR PERSONAL INFORMATION. PLEASE EXERCISE CAUTION AND CONSULT THE PRIVACY POLICIES POSTED ON EACH THIRD-PARTY WEBSITE FOR FURTHER INFORMATION.
- VIII. No Services To Persons Under The Age of 18.
 - A. Detroit Mobile IV does not knowingly provide services to minors under 18
